

2025 MOTO GYMKHANA – PAIRS RACE

Tbilisi

MOTO GYMKHANA
“Pairs Race”

MOTO GYMKHANA:

Moto Gymkhana “Pairs Race” is an event held under the auspices of the Georgian National Motosport Federation and with the support of the Georgian Ministry of Sport, organized by the Moto School “Pitstop Academy” in accordance with FIM standards.

Moto Gymkhana “Pairs Race” is a competition where professional and amateur riders participate with their own or specially designated identical motorcycles for this event. Riders compete on a Gymkhana class racing track, which consists of two identical racing lanes prepared specifically for the event, including various obstacles and safety measures. After two qualifying runs, riders are paired according to the following principle:

Pairing Rule:

The rider with the best time will compete against the rider with the slowest time, and so on. Starting simultaneously, the winner is determined by crossing the finish line first and proceeds to the next stage.

The objectives of this event are to:

- Improve riders’ control and skills
- Provide a proper and safe development platform
- Increase public interest and involvement
- Promote motorcycling culture and activate the local motorcycle community
- Encourage riders to transition from illegal street racing to safe, regulated competition environments

- Identify the most skilled motorcycle enthusiast among the participants

The event is conducted in full compliance with the regulations presented by the Federation.

COMPETITION VENUE AND DATE:

The third stage of the competition will be held in Tbilisi, on Rafael Agladze Street, parking area, on October 12, 2025.

The competition starts at 12:00 and continues until 17:00.

CATEGORIES:

The championship includes four categories:

Category – SCOOTERS:

Any two-wheeled internal combustion vehicle equipped with a variator-type gearbox, regardless of engine capacity.

Category – A2:

Any type of motorcycle and rider is eligible, except for the following cases:

If the rider holds a Federation license in the disciplines "Circuit Racing" (Superstock 1000 or Superstock 600) or "Enduro Expert" for any racing season, they are ****not eligible**** to participate in the Moto Gymkhana A2 category.

Additionally, representatives of moto schools (instructors, directors, etc.) are not permitted in this category.

Category – ABSOLUTE:

Any motorcycle and rider are eligible to participate.

Category – MAXI SCOOTERS:

Two-wheeled internal combustion vehicles equipped with a variator-type gearbox and engine capacity over 250cc.

Participation is open to any rider who holds a valid driver's license or a one-time certificate issued by Pitstop Academy, provided both the rider and motorcycle meet all pre-established regulatory requirements.

REQUIREMENTS:

Mandatory protective equipment for participants:

- Helmet
- Jacket or elbow protectors

NUMBER OF PARTICIPANTS PER CATEGORY:

Each category allows a maximum of 16 riders.

If fewer than 4 participants register in a category, that category will be considered canceled, and the registration fee will be refunded.

COMPETITION RULES:

Start: By the signal of the referee or promo girl, or via an installed traffic light system.

Finish: By crossing the designated finish line.

Crossing the dividing line, turning around on the track, or deviating from the assigned trajectory will result in disqualification or time cancellation.

Any unsportsmanlike conduct or disobedience to referees will result in disqualification.

Two false starts (early starts) will result in a loss.

If a rider moves or knocks down a cone or obstacle, ****1 penalty second**** is added to their recorded time.

If a rider's foot touches the ground during a run, ****1 penalty second**** is added to the recorded time.

If the motorcycle breaks down at the start, the rider has ****15 minutes**** to repair it, or as determined by the referee; otherwise, the run may be considered lost.

Moto Gymkhana competitions in 2025 consist of ****three stages****. Riders may join the championship at any stage. Points are accumulated based on final positions in each stage, and the champion is determined after the third stage by total points.

POINTS SYSTEM:
